The screenshot shows a Java Swing application window with a title bar containing a small icon and standard window controls (minimize, maximize, close). The window's content area is light gray and contains the following elements:

- A vertical list box on the left with three items: "meja", "kursi", and "buku". The "buku" item is currently selected and highlighted in blue.
- A series of buttons and text labels on the right side:
  - "save to List" button followed by the text "Data tersimpan = 1"
  - "insert data List" button
  - "save to Set" button followed by the text "Data tersimpan = 2"
  - "insert data Set" button
  - "save to Map" button followed by the text "Data tersimpan = 3"
  - "insert data Map" button
- An "Item Name:" label above a single-line text input field.
- A row of four buttons at the bottom: "Clear all", "add", "update", and "delete".
